Iowa FFA's 2011-12 Limited Edition Truck

The Iowa FFA Foundation's latest edition "Iowa FFA Collector Truck" has been designed. This truck is the 9th edition in Series II. This 1/64th scale model die-cast semi-truck is being manufactured by Die-Cast Promotions. It has a VOLVO VT 800 day cab. This collector truck features a Wilson flatbed trailer and wind blade load with the 2011-2012 Iowa FFA theme "I Believe" designed on it.

Only 420 units are being produced. Persons who ordered last year's edition in Series II may request the same number(s) on a first-ordered – first-served basis. Specific numbers will only be held until December 31, 2011.

$27 of the purchase price is a tax deductible contribution. The tax exempt number is 42-1305468.

***PLEASE NOTE: Due to manufacturer delays in shipment from China; the trucks may not arrive until after Christmas and could be as late as late January 2012. Please accept our apologies for any inconvenience this may cause.**
