(circle one) Yes No

In Iowa, the Washington Leadership Conference Scholarships will be awarded to FFA members who come from chapters which need a boost toward getting more members motivated to become involved in additional activities on local, district, state, and national levels.

Priority will be given to the following types of situations: (1) Fairly new FFA chapters; (2) Several different FFA chapter advisors in recent years; (3) Chapter has not received state and/or national recognition in career development events, National Chapter competition, etc.; (4) Other reasons to express a major need.

Explain why you should be selected to represent your FFA chapter in receiving one of the 2019 FFA Washington Leadership Conference Scholarships. (Your response should be given on the other side of this paper or on an attached page.)
